

Seasonal Work CV Template

This CV template is designed for seasonal work applicants. It focuses on clarity, relevance, and showing availability to stand out to employers.

1. Professional Summary

1–2 sentences that quickly highlight your reliability, adaptability, and key skills. Example: *Reliable and adaptable seasonal worker with experience in retail and landscaping. Strong customer service skills, physical stamina, and flexibility ready to contribute during peak periods.*

2. Availability

State your start and end dates clearly (e.g., 'Available from late May to early September').

3. Key Skills

Use bullet points such as: Time management, Customer service, Cash handling, Adaptability & quick learning.

4. Relevant Experience

List jobs in reverse chronological order. Include job title, employer, dates, and achievements with measurable results.

5. Education

Include relevant education, but keep it brief if not directly related to the role.

6. Additional Sections (Optional)

Certifications, volunteering, relevant hobbies, or achievements.

Stand-Out Tips for Applicants

- Keep it concise and focused – ideally one page.
- Tailor to each application, matching skills to the job description.
- Show enthusiasm and professionalism.
- List repeat seasonal roles under one entry with all dates.
- Proofread carefully for errors.

Why These Elements Matter

Availability reassures employers you can work the full period. Tailoring your CV shows genuine interest. Professionalism and a good attitude can lead to future roles. Concise formatting makes your CV easy to scan.
